Great Britain Asks the United States to be Prepared to Care for He

Diplomatic Interests in Turkey. Washington, Sept. 1.-Official advices received here through diplomatic chan-nels today reported two of the most important developments of the present

War.

The German embassy gave out a message from Berlin, received by wireless, claiming that the German forces had captured near Allenstein 70,000 Russian prisoners, including two commanding generals, 300 officers and the entire equipment of Russian artillery. manding generals, 300 omicers and the entire equipment of Russian artillery.

Great Britain asked the United States to be prepared to care for British diplomatic interests in Turkey, indicating that the allies had practically lost hope of persuading the Ottoman empire to remain neutral. Despatches received at the British embassy refer-red to the incorporation in the Turkish army of several German officers, which

was regarded as the forerunner of in-tervention by the porte in behalf of Bermany. Bulgaria's Attitude Uncertain Turkey's entry into the conflict leans the immediate alignment of Italy as well as Greece on the side of Great Britain, France, Russia, Servia, Montenegro and Roumania, diplomats here believe. Just what the attitude of Bulgaria will be is a matter of uncer-tainty, though the Turkish ambassador here gave out a statement today speaking of the community of interest of Bulgaria and Turkey. The Turkish situation was watched with deepest concern by diplomats because of the imminence of a general war in the concern by diplomats because of the imminence of a general war in the Balkans and extension of the war drams to all of eastern Europe. The official statement of the big German victory against the Russians attracted wide attention. Military observers pointed out that if the number of Russians taken prisoners had been corpointed out that if the number of Rus-sians taken prisoners had been cor-rectly estimated at 70,000, there must

Statements Conflict. The statement conflicts to some ex tent with one issued by the French embassy earlier in the day which speaks of the progress of the Russian

speaks of the progress of the Russian offensive army.

The official claim of the Germans, however, that 70,000 Russians were captured exceeds in magnitude any operation thus far recorded.

Official despatches to the American government made no mention of the hostilities today, being confined to relief measures for Americans.

When President Wilson arrives to-morrow the replies of Germany and

When Fresident Wilson arrives to-morrow the replies of Germany and Great Britain accepting the American proposal for the censoring of coded messages at the Tuckerton, N. J., and Sayville, L. I., wireless stations will be placed before him, and new instruc-tions are expected to be issued through department for the supervision of these stations.

## INCREASE IN PRICE According to Testimony Given in Joh

Doe Inquiry in New York. New York, Sept. I.—The increase in the price of sugar after the European war began was legitimate, according to testimony given today at District Attorney Whitman's John Doe inquiry into the high cost of food. Edwin F. Atkins, chairman of the board of directors of the American Sugar Refining company, said the demand abroad and the competition there for West Indian and Central and South American sugar made the increase in the price of sugar here necessary.

At four food markets which the city opened today sugar was sold more cheaply than housewives could buy at the stores where they traded, and within two hours the entire supply of this staple at these markets was exhausted. proceedings today John A. Sim, general manager of a flour company, said speculation in flour in this country was impossible. He predicted that if today sold at four cents a loaf, and bakeries in the neighborhood did little business. The markets were crowded. Chief Magistrate McAdoo, who presides at the John Doe hearings, announced that he had heard from the customs authorities that within the
